Charging & Remissions Policy

(This policy relates to Parents / Carers)

Adopted: September 2025

Review: September 2026

This policy deals with charges to parents / carers. Charges for places commissioned by schools and/or local authorities are dealt with in the commissioning contracts and service level agreements.

1 Aims

Three Towers aims to:

- have robust, clear processes in place for charging and remissions;
- clearly set out the types of activity that can be charged for and when charges will and will not be made;
- offer a range of activities and visits whilst minimising the financial barriers that may prevent some learners from taking full advantage of these opportunities.

2 Legislation and Guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

This policy complies with our funding agreement and articles of association.

It is also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

3 Definitions

- **Charge** - a fee payable for specifically defined activities.
- **Remission** – the cancellation of a charge which would normally be payable.

8.1 School Meals

There is **no charge** for school meals for any learner attending Three Towers.

8.2 School Trips / Visits & Activities during school time

When organising activities, trips or visits which *enrich* the educational experience of the learners, the Governors have decided **not** to ask for any contribution from parents/carers. The following is a list of additional activities sometimes organised by the school. This list is not exhaustive:

- visits to museums;
- sporting activities – sometimes involving transport expenses;
- outdoor adventure activities;
- visits to the theatre;
- school trips abroad;

8.3 Residential Trips

If we organise a UK residential trip in school time or mainly school time, which is to provide education directly related to the curriculum, the Governors have decided **not** to ask for any contribution from parents/carers. There are no plans to offer overseas residential visits, if this changes then this policy will be reviewed to take account of this.

8.4. Out of School clubs & activities

The Governors have decided **not** to ask for any contribution from parents/carers for out-of-school clubs

8.5 Examinations

charges will be made will be decided by the headteacher and will be dependent on the situation / circumstance.

Where school property has been wilfully damaged by a learner or parent, Three Towers will charge those responsible for some or all of the cost of repair or replacement. This includes ICT equipment loaned to learners to access remote/virtual provision.

Where property belonging to a third party has been damaged by a learner, and Three Towers has been charged, we may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the headteacher and will be dependent on the situation/circumstance.

10 Remissions

In some circumstances, the school may not charge for items or activities set out in sections 6, 8 and 9 of this policy. This will be at the discretion of the headteacher and will depend on the activity in question.
